### Director's Corner

Happy November! We can't believe how fast our year is going. Soon it will be Thanksgiving and the weather is even more chilly. Soon it will be time for mittens and scarves.

November is a wonderful time to reflect on how Thankful we are for the blessing of our families and friends. We are so grateful for each of our students and our families. Thank you for sharing your children with GGPS!

In November teachers will be holding optional Parent/Teacher conferences. This is a great time to hear how your child is transitioning into their Preschool year

Thank you to all our families that supported us with our Butter Braid Pastry Fundraiser. We couldn't be successful without your support and participation.

During the month of November we will be talking about Thankfulness and the importance of helping others. We will have a food collection running from November 6th through November 17th to help out the Kendall county Food Pantry. If you are able to donate some non-perishable food items please send them with your child during that time. Have a blessed November!
